

The Industrial and Commercial Power Systems Department (I&CPS) of the IEEE Industry Applications Society, the sponsoring department for many recommended practices, most notably the IEEE "Color Books", is requesting papers for presentation at:

**Industrial and Commercial Power Systems Technical Conference
May 6 – May 9, 2006, The Sutton Place Hotel, Edmonton, Alberta, Canada**

Papers are requested that treat practical application issues in the general areas of industrial and commercial power distribution system design, protection, energy, codes and standards, power quality, maintenance and safety, and related subjects. All papers presented at these conferences will be subjected to a thorough peer review & evaluated for subsequent publication in either the IAS Transactions or IAS Magazine. Authors **must** be in attendance to present their papers. All submittals and communications during the review process must be done electronically. A working e-mail address for each lead author is required.

SUBMISSION CALENDAR DEADLINES:

Submittal of working drafts for Technical Committee Review	Sep. 1, 2006
Notification of acceptance of submitted papers	Nov. 1, 2006
